In the Matter of:

NOTICE OF PURCHASED GAS	)	
ADJUSTMENT FILING OF AUXIER	)	CASE NO. 8768-D
ROAD GAS COMPANY, INC.	)	

O R D E R

On September 16, 1983, the Commission issued its Order in Case No. 8768 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On November 11, 1983, Auxier Road Gas Company, Inc., ("Auxier") notified the Commission that its wholesale cost of gas would be decreased by its supplier, Columbia Gas of Kentucky, Inc., ("Columbia") and submitted with its notice certain information in compliance with its purchased gas adjustment clause on file with this Commission.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

(1) On August 10, 1983, and October 6, 1983, Columbia filed applications with the Commission for decreased rates to become effective September 1, 1983. On August 16, 1983, in Case No. 8768-B, and October 24, 1983, in Case No. 8768-C, Auxier requested permission to track Columbia's decreases. By orders

issued August 23, 1983, and November 4, 1983, the Commission approved Auxier's filings effective September 1, 1983. Subsequent to Auxier placing these rates into effect, Columbia filed on November 4, 1983, revised tariffs to be effective September 1, 1983.

(2) Auxier's notice of November 11, 1983, set out certain revisions in rates which Auxier proposed to place into effect, said rates being designed to pass on the wholesale decrease in price from its supplier in the amount of \$7,564 or 11.3 cents per Mcf.

(3) Due to the retroactive nature of Columbia's decrease, Auxier should report to the Commission any excess revenues collected during the period from September 1, 1983, to the date the proposed rates are implemented, along with a plan to refund any excess collections to its customers.

(4) Auxier's adjustment in rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 8768 dated September 16, 1983, is fair, just and reasonable and in the public interest and should be effective with gas supplied on and after September 1, 1983.

IT IS THEREFORE ORDERED that the rates in the Appendix to this Order be and they hereby are authorized effective with gas supplied on and after September 1, 1983.

IT IS FURTHER ORDERED that within 30 days of the date of this Order Auxier shall report to the Commission any excess revenues collected during the period from September 1, 1983, to

the date the proposed rates are implemented, along with a plan to refund any excess collections.

IT IS FURTHER ORDERED that within 30 days of the date of this Order Auxier shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 22nd day of November, 1983.
